

User Stories

Visitor

- I want to view hobbies, without needing to register
- I want to easily be able to find a description of what the website is about and is used for
- I want to know information about the benefits of registration
- I want to be able to search or filter hobby options
- I want to be offered the option to sign up, in a non-obtrusive way
 - When I engage with features that interest me

Registered User

- When I register, I want any errors or problems with the information I enter to be clearly defined
- I want to be able to leave comments
 - I want confirmation that my comment has been posted
- I want to have a profile page
 - I want to save hobbies for reference
 - I want to be able to rate hobbies when I submit them

Site Admin

- I want like the ability to review submitted hobbies and moderate them if necessary
- I want the ability to restrict user access
